## 4,000 acre

including one of the Howards Mill dam and others are downstream from the dam.  
Gibbs and HSI has submitted most of their environmental baselines (preliminary conditions) studies and methodology (how data will be collected and analyzed) to the appropriate state agencies for consideration. Included are air pollution, water pollution, reclamation and fish and wildlife.  
The company also addressed a high level issue - impact management, impact management essentially means identification of potential problems caused by large scale developments of schools, roads, health services, land development, etc.

## Spelling Bee judges

## Service classes to begin at MCC

General interest community service classes for the spring term at Mayville Community College will begin Feb. 1.  
The first class to be offered will be "Assertive Training for Women," offered on Wednesday evenings for eight consecutive weeks. The meeting time for the course will be from 6:30-8 p.m. The instructor will be Mary Jane Shary, from the MCC facility.  
On Monday evening courses will be offered: "Folklore - American Folk Song," taught by Edward R. McCurley, will meet on Monday and Wednesday evenings for six consecutive weeks. The class will meet from 7:30-9 p.m. each evening. Sherrie McNeil will offer "Radio In Investment" for 10 Monday evening beginning Feb. 6. Each class meeting will be from 6:30-8:30 p.m. Also on Monday evenings, led by Rev. in the Masson County High School, is "Beginning Typing," taught by eight teachers. The class will meet on Monday and Wednesday evenings for eight weeks. Class hours are 6:30-8:30 p.m.  
On Tuesday evenings, four classes are being offered: "Virginia The Colony," taught by Feltner Fitzer Jr. will begin Feb. 7 for four weeks from 6-8 p.m. "Flower Arranging," taught by Bess Chan, will meet for six Tuesday evenings from 7 p.m. "Basic Astrology" will meet for eight weeks from 7-9 p.m. and will be taught by David Cole, a final Tuesday night offering in "Beginning Photography," which will meet for six weeks at Masson County High School. Registration is currently full for this class taught by Terry Fritcher, but names are being accepted for the waiting list.  
One class this semester is being offered in Cynthiana. The program "Basic Computer Literacy" will be taught by Martha Asher at the Accommodated Data Corporation in Cynthiana. The course will meet on Thursday and Thursday evenings for three consecutive weeks from 7-9 p.m.  
In addition to general interest community service courses, the MCC Learning Program will offer a series of professional development classes for registered and licensed practical nurses. "Golden Index, Death Syndrome" will be presented on Feb. 27 from 6-9 p.m. with registration beginning at 5:30 p.m. Other nursing courses scheduled throughout the year include "Pharmacology of Cardiovascular Drugs" in March, "Dealing With Anger" in April, "Drugs and the Older Person" scheduled for August, and "Nutrition and the Chronic Patient" to be presented next October.  
For further information or to register for any of these community service classes by phone, contact the MCC Continuing Education Office at 759-714, extension 113.
