Kentucky afield

Goose season closes early *

Closes early

The game easier to use of Kentudy's most productive waterfood
area will close almost a moth early,
the Department of Table and Wildlie
Gone hunting in the "Bland Zuce"
was permitted through Jans. 1, then was
because the federally amendated quadof 6,00 Canada gene will have been
brokened between the Telland Zuce.
The area affected by this closure is
the northwestern protoin of Bladfed
and includes the Bladre Wildlie
Management Area. Coop esseans in the
rest of Kentucky will continue through
the coop of the Coop of the Coop of the Coop of the
rest of Kentucky will continue through
Jan. 20.
