

Which Hildreth class was this?

Carl Hughes brought this old picture of a Hildreth School class to the Mercury office in an attempt to determine the year it was taken. It is thought to have been prior to 1917 since two of those pictured, Charlotte and Elizabeth Allison, moved from the Licking School precinct about 1917 when their mother died. From top row, left to right are: Roy Linnville, Glenn Hughes, Ada Hughes, Demoree Linnville, Bobby Croywood, Carl Hughes, (unknown), Frank Kinzie, Jim

Deer hunting deadlines listed

By Emily Morse
If you plan to do the orange and deer hunt this year, application deadlines are near. Advance applications are necessary to hunt on several wildlife management areas and federal installations. Random drawings determine who hunts on all these areas and if you hope to hunt on your favorite area, applications need to be sent before the cut-off dates. Be sure to get yours in on time.

All two military posts, being in most important because applications are rejected unless received between specified dates.

At Ft. Knox, applications for weekend and low hunts will be accepted only between July 14 and July 26. Those wanting to participate in the Nov. 24-26, Dec. 4-6 and Dec. 10-12 gun hunts should apply between Aug. 11-26. Weekend low hunting during the Oct. 13-Nov. 11 season will be on a first-come, first-served basis.

APPLICATION FORMS can be obtained from Merate Support Activities, Hunt Control Office, Ft. Knox, KY 40321, the Department of Fish and Wildlife, University Field Administration Building, Louisville, KY 40292 or the Department of Fish and Wildlife, Ft. Cavett Farm Road, Frankfort, KY 40601.

The Bluegrass Army Depot hasn't set its actual hunting dates yet, but applications will only be accepted
