

Opinion
Tax exempt
... well sort of

The decision by Congress last year to make Social Security benefits subject to federal income tax was a more notorious piece of business than was first realized. We can hope that Congress one day will see the inequity of taxing Social Security in the first place, but in the meantime it can correct a feature of the law...

Drug abuse
No. 1 crime

Drug abuse is a problem that has spread beyond large cities and into our nation's heartland - costing taxpayers about \$100 billion a year. But the monetary figure is dwarfed by the fact that drugs are ruining thousands of lives...

It's called break-dancing... every part of you
tends to break up when you do it

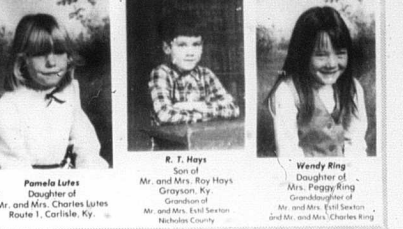

I only recently completed three lessons and had gone out and had my first "dance" and several rock clubs to go to... I was a demonstration of this dance... I thought certainly the inventor jumping to the ground and wailing in his arms...

Abner Shaker president of the American Federation of Teachers, in commenting on his critics for allowing their children to... I'm proud myself and sending them to private schools...

That was all Shaker said, but his challenge was clear... Shaker would like to see the private school just open up... Shaker would like to see the private school just open up...
