

UK Sports Report
Bob Waldins
Over the more enduring...

Details about this or that player or sport that make them worth keeping are much more an integral part of the game than the game itself.

Of course there are lots of men who can recall with exhilaration...

What follows are a few examples of what happens when a body either remembers here or there...

From Al White, a student at Bracken County High School in Booneville, Ky. "I have seen your list of Kentucky winning basketball coaches and would like to add another."

White reported that Parley... who reported that Parley... who reported that Parley...

It seems to me that memories and the things that make them worth keeping are much more an integral part of the game...

From a man in Covington named Jim Dougherty... who reported that Parley...

From Al White, a student at Bracken County High School in Booneville, Ky. "I have seen your list of Kentucky winning basketball coaches and would like to add another."

Barbee is academic All-America

The National Secondary Education Council has announced that Dustin Barbee has been named an academic All-American...

"Upgrade to high efficiency central air conditioning"
... and we'll send you this free energy conservation kit.
Fred Spraggs
Director of Customer Services
As A/E, we want to help you save on cooling costs. That's why we recommend installing an air conditioning unit with a high efficiency rating. The higher the efficiency rating, the less it costs to operate. And if you replace an old system with one that has an efficiency rating of eight or higher, we'll send you this free energy conservation kit to help make your home or business even more energy-efficient.
