Kay's Kitchen

Here are some quick and easy desserts to serve during the summer months. Most of them can be prepared ahead of time while it is cool. Of course fresh summer fruits and berries are best simply served with sugar and cream. A light coating will melt with fruit. By light, I mean a Sugar Cookie or Butter Cookie, not too rich with nuts, coconut or chocolate.

PLAIN COOKIES
1 cup sugar
1/2 cup margarine
2 eggs
1 teaspoon vanilla
1 teaspoon salt
1 teaspoon baking powder
About 4 cups plain flour
Cream margarine until light and fluffy. Add sugar and vanilla. Beat until smooth. Chop nuts in butter milk and add to batter mixture. Beat until enough of the rest of the flour is made enough to make a ball. Roll out and cut into desired shapes. Bake dough about 1/2 inch thick. Bake in 350 degree oven for about 15 minutes. Remove cookies from pan to cake rack to cool.

SURPRISE BARS
1 cup sugar
2 tablespoons unsflavored gelatin
1/2 teaspoon salt
3 cups apricot nectar
8 tablespoons lemon juice
1/2 teaspoon cinnamon
1 teaspoon nutmeg
Treat until dry, if necessary, enough bread slices to make 1/4 cup of crust. Use one half of them to line a greased 8 inch pie pan or 8 inch square pan. Spread over the crumbs a mixture of the apricot nectar and lemon juice. Sprinkle remaining crumbs over the top and chill several hours. Serve plain or with whipped cream or topping.
