Hoge Hockensmith to preach in Carlisle

The First Baptist Church of Carlisle is pleased to announce that Rev. Hoge Hockensmith will be the evangelist in a week-long series of revival meetings which will begin at 10:00 a.m. on Sunday, May 21.

Born in Friday, Ky., Rev. Hockensmith served in the Navy during World War II, after which he majored in political science and law at the University of Kentucky. He was the pastoral minister of the university in 1940. During his 33 years of pastoral ministry, Rev. Hockensmith has served as the pastor of five churches in Kentucky and Ohio. During his 19 years in Ohio, he was moderator and chairman of evaluation repeatedly in the local conferences, and served two terms as president of the State Convention of Baptists in Ohio.

Mr. Hockensmith has been active in Baptist life at the national level also. He has served for seven years as a member of the executive committee of the Southern Baptist Convention, and was a member of the committee that wrote "The Baptist Faith and Message," the Articles of Faith of the Southern Baptist Convention. He has conducted overseas crusades for the Baptist Foreign Mission Board in Brazil and twice in Africa.

Since 1973 Rev. Hockensmith has served as pastor of the Broadway Baptist Church in Lexington, where he has been active in religious and civic affairs. He is listed in the current edition of Who's Who in Religion.

Leading the music for the services will be Kevin Thomas, youth minister of the First Baptist Church of Carlisle. Mr. Thomas is a gifted musician.

Dairy field day set

The 1984 dairy research field day at the University of Kentucky College of Agriculture has been set for June 7 at Carlisle Research Farm. Registration for the informative and popular event will begin at 8:30 that morning, with research hours beginning at 9:30 a.m.

Dr. Bob Harmon, chairman of the field day program committee, said presentations on recent and current dairy research will be the focus of the field day, with important information and popular events for the dairy activities.

Topics of discussion will include new developments in fat lactose research, artificial insemination, the use of automated backstrapping of claws to prevent mastitis, mineral supplements for dairy cattle, the use of computerized feeders, the effectiveness of insecticide-impregnated ear tags, and several other recent research findings.

For more information about the field day, contact your county Extension office.
