

Bob Watkins Sports in Kentucky

So perfect Saturday... The weather seemed that much an apt enough description of Kentucky's 57-1 victory over Vanderbilt Saturday in Lexington.

UK's performance was sufficient for those reasons. It serves victory in the most for a 10th season since 1977 when the Wildcats won 10. Kentucky has not won as many as seven games in 1984.

UK again, completing 31 for 31 for 199 yards and two touchdowns. "Headed" threw the ball better than he has been recently," Watkins said. "And he made one backward pass to (Chris) Derry in the second period."
