## Mary Tapp honored by institute

The International Institute of Municipal Clerks announces that Mary S. Tapp, City Clerk/Treasurer of Carlisle, has been named as the recipient of the designation of Certified Municipal Clerk for achieving the highest educational, experience and service requirements established by the institute for attainment of this honor.

Mrs. Tapp began her employment with the City of Carlisle in 1978 and in 1980 she assumed her present position. She completed the three-year education program for professional certification held at the University of Kentucky. This program involves over 300 student-instructor contact hours of in-depth courses in public administration, social and interpersonal concepts, and functionally-related subjects. It is designed to provide perspective, information, and practical skills for greater understanding of those changes taking place in each community.

Mrs. Tapp serves on the Board of Directors of the Kentucky Municipal Clerks Association and is a member of the Kentucky Intergovernmental Personnel Association and the Kentucky Municipal Finance Officers Association, as well as the International Institute of Municipal Clerks. Active in community affairs, she is a member of the Carlisle Christian Church.

Mrs. Tapp and her husband, Wayne, have two children, Jonathan and Geneva Lynn. She joins seven other Kentucky municipal clerks who presently hold the designation of Certified Municipal Clerk (CMC).

The certification program of the IMC was launched in 1979, commencing 18 years of planning. It aids municipal clerks in improving their job performance and recognizes the professionalization of the office.

## Postcard montage

Renowned Carlisle postmaster John Anderson recently completed a project he began some time ago... that of bringing up to date the picture montage of the postmasters of the local post office. Anderson collected the pictures on the bottom row starting with Mrs. Virginia Reynolds, and added them to the montage. He also reformed the picture which hangs in the post office. Mrs. David Zuhayr printed the names and dates beneath the postoffice. —Mercury photo.

## 'Outstanding Young Men' honors for seven

The board of advisors for the Outstanding Young Men of America awards program have announced that seven Nicholas Countyans have been selected for inclusion in the 1984 edition of Outstanding Young Men of America.

They are: William Courtney Clark Jr., 20, Carlisle; Timothy Reed Scott, 20, Carlisle; Larry Gayle Wilk, 20, Kenosha Heights, Carlisle; Wilmet Winkle Jr., 20, East North Street, Carlisle; Thomas Allen Ockerman, 24, Carlisle; William Harvey Gleason, 21, Carlisle; and Robert Woods Hester Jr., 24, Carlisle.

These men were selected from nominations received from senators, congressmen, governors, mayors, state legislators, university and college presidents and deans as well as various civic groups, including the United States Jaycees.

## Lowie, Hinton to attend SSC meet

James C. Lowie of Carlisle will represent local Southern States Chapter members at the district election meeting to be held October 9 at the Jersey Dairy State Park in Presumably.

Robert Hinton, manager of the local Southern States retail outlet, will also attend. The session will elect a number of the cooperative to serve on its board of directors for the next three years. The meeting will be held at the Jersey Dairy State Park in Richmond, VA on Nov. 14 and 15. The group will also select a nominating committee for the 1987 election meeting.

The program for the Prebentory meeting will include a talk by H.W. Bryan, the cooperative's vice president of member and public affairs, who will discuss "Legislative Process - In or Out?"

E. Lee Moore of Barboursville, W.V., a regional manager for Southern States, will be in charge of arrangements for the meeting.

## STATE FAIR DATES SET BACK FOR 1985

Members of the Kentucky State Fair Board have voted to push the 1985 Fair back one week to Aug. 15-24.

This move might be advantageous for several reasons, according to the board's manager of the Fair, First and foremost, Kentucky's county fairs will have an extra week of scheduling prior to the Fair, without the direct impact. She said that several, busy departments would benefit from the change to later dates. Agricultural exhibitors, for instance, would have a week longer to allow their vegetables, tobacco and other crops to ripen and mature.

Another plan, Shaw said, would be that starting the Fair a week later could help the Fair avoid the oppressive summer heat.
