Southern States: A farmer-owned business with the farmer in mind

Don Markland Jr., Steve Hinton, Mgr., Threshley Markland Jr.

Nicholas County Farmers can be proud of a business they ALL own: Southern States Carlisle Coop, Inc. The Coop handles feed, seed, fertilizer & farm supplies. It is located on East Main St., Carlisle, corner E. Main & Dorsey Ave. Store manager is Steve Hinton. In addition to farm supplies, the Coop offers petroleum. Store hours are: Mon. - Fri. 8:00 to 5:30, Sat. 8:00 to 3:00. Mr. Hinton states, "Being farmer-owned, our first commitment is to give quality products to our partners, and we intend to remain committed to this policy." He also states, "I would like to take this opportunity to encourage support from all of our customers. Your support and patronage is essential to the success of our Coop. Soon the Carlisle Coop hopes to add 24 hour service to its gasoline pumps, install small E. F. gas cylinder filling, and expand its fertilizer facility to include liquid nitrogen and sprayer equipment. Mr. Hinton was transferred here from Winchester where he was assistant manager at the Clark Coop. He is originally from Fleming County, 6, 1958.
