Growers can expect higher burley fees

By Dennis Rauch
Burley growers can expect to pay considerably higher fees for the 1983 crop. The burley program is being operated by the U.S. Department of Agriculture. The program will continue to be operated by the U.S. Department of Agriculture.

In the absence of any such agreement, and if the support program for Congress in the present form is 25 cents per pound, the burley program is being operated by the U.S. Department of Agriculture.
