Freedom's Birth...
209 Years Ago!

It's cause for celebration, the day that marks a fight for freedom won and the birth of our American nation. Let's remember with pride the struggle that brought us to this great time, and know that the ideals and dreams set forth by our forefathers have enabled us to become a nation of strength and justice, one that still endures by the very principles established so long ago.

This July Fourth, let us each give thanks for that Freedom!

Our Freedoms Protected!

From homeland to foreign soil, we have protected America's Freedom... insuring our generation and the next of a safe place to live, work, raise a family, attain our goals, and pray as we wish.

Let us fly our flag this July Fourth with pride... our flag which represents "... a nation conceived in liberty and dedicated to the proposition that all men are created equal."
