

Bob Watkins Sports in Kentucky

People and things... Kentucky football fans might believe that when the spring blue-white intrastate game is finished the coaches can't do back, relay, play some golf, right?

It's allowed to recruit, get out and see some kids during the month of May? Eisenman said last week he will be spending some time on the road. That is, in June we usually begin breaking down some fine on-line reports.

Eisenman is to be 300 weeks coaching. "I still love to be said."

UK Coach Bob Watkins... According to a UK official last week Eddie Sutton has "said so" to all but one of the 20 speaking engagements requests this summer.

UK Coach Bob Watkins... "I think Sutton is making a mistake, missing an opportunity to try to support his basketball program, by getting out to the state to meet members of his coaching family."

Bat Jackets set new school mark!

The 1985 Bat Jackets were a perfect four-for-four last week enroute to establishing a school record for most regular season wins. The 184-regular season record, 21-23 record by the 1981 team and 71-38 record by the 1982 team.

Coach Bill Anderson, who just completed his 17th year as head basketball coach, predicted before the season that this team would be in the state class. "I just hope we can improve on that record this week in the district tournament," he said.

The winning streak opened last Monday with a 144-pointing of Powell County on the boys' field. A punch hit home in the top of the sixth by Todd Helgeson broke open a close game.

Hybrid strippers at Herrington Lake... A sampling of Herrington Lake headwaters (the river) revealed numerous hybrid striped bass.

White bass stocked in Dewey, Fishtrap Lake... Dewey Lake and Fishtrap Lake in Eastern Kentucky were stocked with white bass in early April.
