

Opinion

Good news...and bad

The bad news is that the son of former Carlisle resident... Charlie Tom... was in a traffic accident... with minimal use of his arms... Doctors said at the time that Charlie Tom... had only a 20 percent chance of ever walking again.

Tom and four others were riding in a large limousine-type vehicle... were headed to a ball park where he had just left... Tom had just completed his first year of teaching eighth grade...

He had just completed his first year of teaching eighth grade... He had just completed his first year of teaching eighth grade...

Lightly nippy... October's bright blue weather... was the first to visit the area...

The forecast for warm weather... is not much of an improvement...
