Good vision a key to learning

With school underway, it is important to remember that the use of the most important aspects of learning is to have the basic equipment of vision. If a child has poor vision, the brain must be able to receive this information and integrate it with other information. If the child has poor vision, the brain must be able to receive this information and integrate it with other information.

Deaths

MRS. WILSON W. GIBBONS, Mrs. Wallace W. Gibbons, died at Bourbon Heights Wednesday, September 21, 1983, after a long illness. She was the widow of Nicholas Gibbons, a resident of Bourbon County for several years, a member of the Christian United Methodist Church and had been very active in the Bourbon County Homeless Shelter, Bourbon County Homeless Shelter, Bourbon County Homeless Shelter.

Here Abouts
