"THANK YOU!"

We would like to thank everyone for all the things they did and gave us during our loss in the storm.

Thanks for all the cards, flowers, money and clothes everyone has given us. Also, thanks for all the prayers and concern. They have really helped us feel better.

And a special thanks to all our neighbors and friends who helped clean up the mess and for saving some of our things for us. We have really appreciated it all. May God bless you. It is nice to know there's such good people around.

\$36 per bushel for oats. The 18 percent additional paid diversion option for winter wheat producers is \$2 per bushel. Wheat crops that failed during the winter are also eligible for signup.

Participants in the program will be eligible to earn deficiency payments on the acres planted within the permitted acreage.

Those who plant at least 80 percent of the permitted acreage to the program crop and divert 20 percent of the permitted acreage to the program crop will be eligible to receive deficiency payments on 92 percent of the permitted acreage.

Estimated per bushel deficiency payment rates are: wheat, \$1.20; corn, \$1.00; soybeans, \$1.06; barley, \$1.50 and oats \$4.60.

He will water wheat producers who reduce the acreage planted to wheat so that it does not exceed 80 percent of the farm's wheat base will be eligible to receive diversion payments of \$2 per bushel on an acreage equivalent to 18 percent of the wheat base.

According to Partin, 75 percent of the advance deficiency payments will be paid in cash during signup, and the remaining 25 percent will be paid as payment-in-kind beginning April 30. Farmers will have from April 30 through September 30 to request the PIR portion of their advance deficiency and/or diversion payments.

"A farmer who accepts an advance payment, and who later does not comply with program provisions must refund the amount of the advance payment with interest."

The ASCS official said contracts signed by program participants will be considered binding and will provide for liquidated damages for failure to comply with program regulations.

Further clarification of the 1986 acreage reduction program may be obtained by contacting the Nicholas County ASCS office on Main Street across from the IGA. Program signup ends April 25 and wheat acreages should be reported by May 15 to earn planted credit.

IT'S A SHOPPERS DREAM!

Win Valuable Prizes. Here's How It Works:

- Register with EACH Participating Business. (This enhances your chances to win.)
- The name of a Participating Business will be drawn at random each week by the Carlisle Mercury.
- The Participating Business that was drawn by the Carlisle Mercury will draw the winner's name. That name will be posted in each business each Thursday. This will be the only means of notification of winner.
- The winner then picks up a letter of authorization from this newspaper by FRIDAY at 4:15 P.M., and has his or her picture taken for publication the next week. The winner then takes the letter to the Participating Business and collects the prizes.
- If the winner does not appear in the Carlisle Mercury office by FRIDAY, 4:15 P.M., he or she wins \$25 in cash from the Mercury.
- No purchase is necessary to register and win.
- Check the great values being offered for prizes!
