City must wait for sewer project \$\$

received this information in a recent meeting with Bob Smallwood of G.W. Engineers.

Smallwood and former mayor Franklin Hughes received a letter written July 23 by Keith H. Rice of the Division of Water, grants administration section, concerning a \$1.1 million grant. It seems the city has a balance of \$2,851 from a 20 Plan filed in 1975 by Howard K. Bell Engineers.

When contacted in Frankfort, Rice said the money could not be applied to future 20 plans, as requested.

THE REAL property and motor vehicle tax rate for Carlisle has been set at 22 cents per hundred dollars by council. The first reading of the ordinance adopting the new rate was held. The date was 22 cents.

The topic of business licenses was

again brought before council. A meeting will be held Wednesday, Aug. 13 at 7 p.m. to discuss the matter further.

Also, the second reading of the ordinance relating to the annexation of 2.6 acres of land at the western edge of the city limits will be held.

Three bids were opened and read for repair work on city water tanks. They were: Leary Construction of Greenfield, IN, \$28,545; Security Tank and Tire Corp., Henderson, \$21,871; and Birmingham Elevated Water, Louisville, \$24,500.

DECISION on the awarding of the bid was tabled until the next meeting, so council could review the bid proposal.

H.L. Hoffman of Birmingham Elevated Water was present at the

meeting. Chuck Tanner, electrician, submitted a written estimate of replacing electrical boxes for the city office and for upstairs apartments of the city building. It was decided that bids should be advertised with specifications stated in the bid after a consultation with Kentucky Utilities.

Councilman Jeff Tyrer will contact KU.

CITY CLERK Mary Tapp informed council that of the total cost of installation of the Dorsaville bridge of \$11,000, the city was only out \$200.

She also announced that the annual city employee lunch by will be Aug. 23, 8:30 p.m. at the City Lake.

The overgrowth of weeds in the city was once again the topic of discussion. Harry Sparks was present

to complain about property owned by Bobby Crockett in Herrysville. Councilman Betty Barton said she had received several complaints about weeds on Spring Street and High Street in Dorsaville.

REGISTERED letters will be sent to the property owners requesting that the weeds be cut.

Councilman Carlisle Lester reported that several residents have complained to him about raty water. Vanlandingham said that the problem is always worse in hot weather. Oliver Vace said that in order to combat the problem, soda ash had been added to the water supply and more was being added.

Lester also reported that he had a complaint concerning traffic not stopping sometimes for

pedestrians at the crosswalk on Main Street in front of the Carlisle Drug. Clerk Tapp is going to contact the State Highway Department about making the crosswalk more conspicuous.

IT WAS VOTED to retain the blue book of pay scales and benefits as a presently written. Gene Kelley, sewer plant supervisor, recently requested that changes be made concerning the tabulation of vacation days. At a meeting two months ago of 17 city employees concerning changes in the book, the vote was 16 in favor to have the book as is.

Councilman Carlisle commented that he wasn't against any changes as long as it didn't cost the city any money.

Fall fatal to former teacher

Mrs. Bess Givlin Bromagen, a retired school teacher whose career spanned half a century, died August 10 from complications suffered from a fall at her home, on the Moorefield Road.

Mrs. Bromagen, who celebrated her 80th birthday May 17, died at Nicholas County Hospital after being admitted following a fall Monday night, Aug. 4.

"Miss Bess," as she was referred to by hundreds of students she taught through the years, started teaching in Sberburne in 1912, moving to Bethel the following year and then to the one-room schoolhouse at Maple Grove, before beginning what would become 25 years at Moorefield Elementary.

She moved from Moorefield to Carlisle Elementary in 1962, when R. E. Davis was superintendent of schools, teaching until her retirement in 1982.

Mrs. Bromagen, a native of Bath County, was the widow of John Harry Bromagen and an active member of the Moorefield Christian Church. When she retired from teaching she and a close friend, Elizabeth Clendenen were frequent travel

Big bucks for burley

Reese Wayne Smoot representing Ky. King Burley Tobacco Warehouse of Mayeville presents \$30 to J.P. Judge, 14 son of Mr. and Mrs. Paul Judge of Moorefield. The second prize prize money on the special 4 H FFA tobacco class at the Nicholas County Youth Fair. At right is first place winner

Jeffrey Dole, 15, son of Mr. and Mrs. John Cleaver Jr. of Walnut Grove Road, holding a \$50 bill. Both boys tobacco (shown in background) have been entered in the State Fair. Third prize of \$20 went to Jonathan Moss, 4th place and \$10 to Kevin Anderson, and 5th place and \$10 to Steve Sexton.

Students to report for classes Aug. 20

Nicholas County Schools will officially open on Monday, August 18, with all certified personnel meeting in the Nicholas County Elementary cafeteria at 9 a.m. Teachers will report for a professional day on Tuesday, August 19.

Students will report for a full day of classes on Wednesday, Aug. 20. The elementary school will begin at 8:20 a.m. and dismiss at 1:20 p.m. The high school is in session from 8:30 until 3:30. Classes will be in session the full day with lunch only being served.

The first day for breakfast service will be Thursday, Aug. 21. Elementary students will pay 50 cents for paid lunch and 25 cents for reduced price lunch. High school students will pay 60 cents for paid lunch and 25 cents for reduced price lunch. Breakfast prices for all students will be 25 cents for paid breakfast and 20 cents for reduced price breakfast.

Breakfast for students in both schools will be served at the elementary school.

the morning session should arrange to pick up their children at this time. The afternoon session will begin at 12 noon and dismiss at 2:25 p.m. Children in the afternoon session who will be brought to school by their parents should not arrive at the school before 12 noon.

The Nicholas County Board of Education provides transportation for all kindergarten students. Students are assigned to either morning or afternoon session based on the area in the county in which they reside. This will be the school policy on kindergarten placement regardless of whether the student is transported by the school or by the parent. This is necessary to avoid lengthy bus rides for kindergarten students and higher transportation costs.

BY STATE LAW, all students enrolled in public schools must have on file a valid immunization certificate and medical examination. If the student is enrolling in Kentucky schools for the first time, a valid birth certificate must be presented. School officials are required to determine that these

Big weekend at Blue Licks Park

One of the best weekends of the summer has been planned at Blue Licks State Park, near the city of Paducah, 18, 11 annual reenactment of the "Last Battle of the Revolution."

New wrinkles this year include a quilt show in the museum with cash premiums totaling \$100, and a park sponsored food contest at the small shelter house near the miniature golf course.

A special guest at the celebration will be Commissioner Jane Hodson of the Kentucky Department of Parks. Sam Devine, park manager announced.

FREE ATTRACTIONS—sponsored by the Nicholas County Historical Society—include an appearance both days to the Kentucky Historical Society Historymobile, and a concert by the Mayville Community Band Sunday at 3 p.m. The band is under the direction of Clarence Moore of Mayville and features Dr. Frank Mathias on the saxophone.

Volunteer band members come from over a 100 mile radius of Mayville and donations will be received by the local historical society to defray travel expenses.

THE QUILT SHOW includes three categories: (1) quilts are made before 1920, (2) quilts made after 1920, and (3) area quilts. To enter an area quilt requires the name of the maker, approximate date the quilt was made and the area where the person lived.

A cash prize of \$50 will be made in each of the categories.

Devine said that persons may have their quilts photographed and the history recorded for preservation in the museum archives if they so wish. Quilts may be entered anytime up to noon Friday, Aug. 15. They may be picked up after 3 p.m. Sunday.

THIS YEAR for the first time the park will have its own food concession. Available will be country ham sandwiches for \$1.75, pizzas at \$1 and

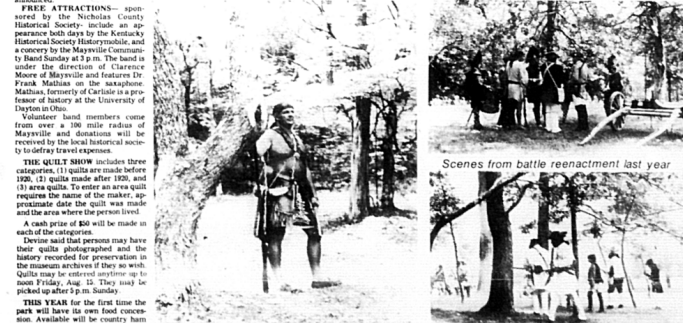

Nicholas Countians present will be the William Maize, John Roberts and Clarence Curtis. This turnout is over twice the number on hand last year.

Captain John Holder's Company, member of the North West Territory Alliance will stage the battle reenactment. The company consists of approximately 80 men from the states of Kentucky, Ohio and Indiana who portray the military life of a frontier militia company.

The "battle" will take place at 11 a.m. both Saturday and Sunday.

THE SCHEDULE calls for the museum to open at 9 a.m. both days with the arts and crafts fair, demonstrations and authentic 18th century camp at 10 a.m. on Saturday, 11 a.m. on Sunday. Also on Sunday only will be the laying of the wreath at the monument by the national office of the Sons of the American Revolution.

A special invitation is being extended to persons in town this weekend to attend the Carlisle High School Alumni banquet.

Scenes from battle reenactment last year

West End Park plans take shape

Contracts have been awarded by the county for work in connection with the West End Park new under construction on Highway 36.

An agreement was entered July 31 with Robert T. Bania of B&B Builders the amount of \$22,962.07 for fencing of the park area. This includes all labor, equipment and materials. Work is underway and should be complete in advance of the September deadline.

At the same time a \$300 contract was approved with Charles W. Turner Electrical Contractors to install underground copper wiring and provide the necessary labor and equipment to install lighting, fixtures and poles at the new park.

THE FIXTURES and poles will be provided by the county and are expected to be delivered sometime after Aug. 18.

David Zachary, president of the Carlisle/Nicholas County Recreation Board, said that the board earlier rejected a \$20,000 bid for a concession stand. He said a better version is being built with volunteer labor. He
