Monday time and things Kentucky's win over VMI Monday aside, it is last Saturday, UK victory over Louisville that still has Wildcat fans around the state buzz.

It was a smoke screen of course, a goodly and predictable tactic by Crum. By any measure of football, UK's victory over Louisville was probably the best of its kind since the late 1960s.

How some fans feel about this content. That brings us to Slope II.

Slope at UK. Except for Indiana, Kentucky is 7-1 against a bunch of blue shirts. A U.I. fan said this week that's about to come to an end because that guard staff UK can against Chattanooga actually the man said someone and Wednesday usually he said pepper man, won't work against a real team like Louisville.

Following Kentucky's victory over Pepperdine on the title game of the UKRIT, Coach Eddie Sutton learned that all five Wildcat starters belonged on the all-tournament team.

Kenny Walker, James Blackmon and Ed Haverd made it. Winston Bennett and Roger Harden did not. I don't know if there's ever been a live from the same team on there or not, but they deserved to be this time, the coach said.

In fact, UK landed its starting on the all-UKRIT tournament team in Dec. 1985 - Louie Hunsinger, Pat Hoyer, Tad Jantz, Larry Cooley and Tommy Hunt.

On another television basketball analysis one of the very best is Larry Colady (Harrison). Another is Jack "Goose" Givens (UK Network).

Incidentally, the Big 10 recently voted a TV package that would have included Givens as color commentator for conference games.

Seems the league didn't want Kentucky to analyze Big 10 basketball.

Comment: Eight years ago in a state where basketball is going to play well every time you take the court, you know the wild cards are going to be every game. Maybe even in Knoxville and Blue Ridge.

Who is the UK record holder for assists for a season? It would appear to be Steve Nunn. He averaged 11.8 assists per game last season. Roger Harden had 10 - 6.6 average.

Postnote: H. Mansfield and Davey Broad hold the record for assists in one game. H. Harden had 11 assists in one game.

The last time Kentucky won in overtime it was the AP Top 20 poll. The winner was Kentucky. It was the "Prize" season of the year.

Who leads the country in most times fouled in the AP Top 20 poll? Answer: Kentucky. It was the "Prize" season of the year.

Who were the all-time leading scorers in the all-USA American Basketball Association? Answer: I don't know. Kentucky's top scorers in the ABA were: Lew Burdette - 13,216 points; Dan Issel - 11,516 points; Dan Rube - 10,823 points; Dan Rube - 10,823 points.

Kentucky's fan in Noblesville, Ind. who has followed the Wildcats for 32 years wrote last week with a view worth mulling.

It is true enough that Louisville's coach did play down the magnitude of the UK-UK games in years past. But then Deputy Crum knows how to play to full advantage the short sentences media types.

A happy group

The Nicholas County Elementary School children were invited to the Roney Club annual Christmas dinner Thursday, Dec. 19 on the Carlisle Depot. In no certain order are David Coker, Katrina Jones, Bradley Clem, Lynn Grigori, Cathy Jackson, Steve Zanes, Gwen McCarry, Rodney Shields, Douglas Dailey, Janet Russell, Calvin Morris, James Swelling, Tommy Dwan, Traci McVey, Charlie Warner, Patrick Morris, Angela Ertlewayne, Charles Bowles, Alice Smith, Ron Bell, Julie Jeremy Warner, Mary Graves, Jason Crawford and Alice Bowles.
