BGK site of DES 'explosion'

Carlisle/Nicholas County Disaster and Emergency Services, with the cooperation of Blue Grass Knitting, simulated a boiler explosion, Thursday, May 29, about 6:30 p.m.

Purpose of the exercise was to find and eliminate any problems in which the responding agencies handled the situation.

"We feel that a state of preparedness must be maintained to have an effective response," said DES Deputy Director Daryl McFarland. "With Blue Grass you not only deal with fire, but many chemicals which can cause fatalities when inhaled after being burnt. Everyone must know how to respond safely," he said.

This exercise was conducted in conjunction with Area 13 coordinator for state DES Bob Buntin. State officials from Frankfort were also present to observe the exercise.

Robert Gaines from Lincoln County was in charge of the make up of victims, along with his assistant, Darlene Hassler.

"We would like to thank Bascom Sorrell and Blue Grass Knitting for their patience and cooperation in this exercise," McFarland said. "We certainly thank all of those who participated as victims and those agencies which responded."

Responding agencies were Carlisle City Fire Department, Nicholas County Fire and Rescue, Nicholas County Ambulance Service and the Carlisle Police Department.

Volunteer victims included Eddie Carter, David Hunt, Frankie Hughes, George Garrett, Dick Garrett, Allen Creech, Kimberly Bechtel, Carma McFarland and Kathy Miller.
