To Nicholas County

My family and I would like to express our sincere gratitude to all the wonderful people of Nicholas County who worked and supported us in the State Representative election on May

It is difficult to put into words our deep appreciation of your kindness and hospitality. We realize many of you made a special effort to go vote. Also many of you worked long hours in our behalf with no thought of personal gain. For these reasons we feel this has been a very positive experience.

To the other two candidates and their families we send our best wishes. Our congratulations to Mr. Arnold.

We are looking forward to a future of friendship with all of you.
