122 earn perfect attendance honors

Two students at Nicholas County schools are richer in more ways than just the obvious for having perfect attendance records during the past year.

To emphasize the importance of attending school, cash awards of \$100 were given at both the high school and elementary school from a list of 122 students who did not miss a day during the school year.

The names of Bobby Adams, a freshman, and Mary Graves, a third grader, were drawn from the hopper to receive \$100 checks.

Two checks for \$25 were offered to students who missed only three days of school. Names drawn were Susana Graham, a seventh grader and daughter of Mr. and Mrs. Lloyd
