Kay's Kitchen

By Kay Fisher
One of the nice things about this time of year, other than the visible signs of spring, is that we will have citrus fruits, plus one of my favorite vegetables, asparagus. So while the spring treasures in the store make the most of it, here is a plan or two to eat it...

Math-a-thon money raised
The Nicholas County Elementary School students pictured earned more than \$100 for St. Jude's Children's Research Hospital during the Math-a-thon. Each child recruited sponsors willing to donate a sum of money for each math problem they worked correctly.

Students invited to UK reception

The University of Kentucky Admissions Office will sponsor a reception for high school juniors and seniors and their families Thursday, April 3, at the Grand Ballroom of the UK Student Center.

Health Tips from Leo Rose

Well child exams
Infants, the promise of our future, must have the loving care of parents, but also the support of a medical provider. When considering the normal child, we should not limit our attention to the physical and organizational development of the child.
