Health Tips

Most of us are aware of the safety instructions packed in new electrical appliances, but few take time to read the details. Generally, individuals are cautious and respect the power and potential danger of electricity, but hurried schedules can interfere with familiar home conveniences...

Barthelms approves tax rates

Continued from page 1
Some members tend to be discouraged at times, she said. She admits the main drawback to any small church is lack of money. The Barthelms Church, for example, is in need of painting, when there's enough money in the improvement fund. The interior of the building, however, is in good repair, she said. MEMBERSHIP at the 100 year old church totals 28, although only 10 members from two to eight can be expected to attend Sunday School and church.
