March 1 Deadline

The deadline for reporting all examples in your property is March 1, 1987. A few examples of the possible changes are:

- You sold your mobile home (or bought one)
You added a room or 2nd bath
Your barn or garage burned
You bought or sold some stocks and bonds
Your business inventory is different
You bought a farm, but did not apply for ag. value
You sold a lot off your farm

There are many more changes that could affect the value of your property. Travel all around the county several times a year trying to keep up with the changes that I can see, but it is in your best interest to report the change and check on the value at the same time.

Please stop by my office on the 2nd floor of the courthouse or call 289-5460 to discuss any of the changes. If you cannot climb the stairs, ask the judge or sheriff to call my office and I will bring your records down to you.

Commercial & Intangible Listings for 1987

Late last week Rose Brady, P.V.A., mailed commercial property tax forms and intangible property tax forms to all businesses and individuals who had filed last year. If you did not receive one, or if you have started a new business or have intangible property which has not been listed before, please call my office at 289-5460. I will be glad to answer any questions you might have and to send you a form.

The commercial property tax forms are used to report any changes on the real estate, the amount of inventory and equipment owned, manufacturing machinery and inventory, and accounts receivable, etc. These forms are due by March 1, 1987.

Intangible property tax forms are used to report stocks, bonds, notes and mortgages, land sale contracts, cash and deposits in out-of-state banks, certificates of deposit in out-of-state banks, and accounts receivable, etc. These forms are due by April 15, 1987. However, I would appreciate your returning them as soon as possible.
