Little League
After the first practice this year, the Little League Reds held a team meeting. In that meeting they were told what was expected out of them, team rules they needed to follow, attitude the coaches wanted them to have in practice and games etc. About that meeting, the team set a goal on the upcoming season. They set out to win the season and tournament champions but set a goal of going undefeated the entire season.

The Reds accomplished that feat last week, emerging through the tournament by scores of Reds, 14-12, Evans, 20-10, Lyons, 1-Reds, 12-17, Evans, 1-Reds in the championship game of the double elimination tournament after defeating the runner-up Lyons 19-2, to set a perfect 16-0 record.
