## Thank You, Nicholas County!

On behalf of GRADY STUMBO and his campaign workers, I want to extend a great big "Thank You" to you, the people who voted for Grady and helped us so much. We will forever be grateful.

We lost the race, but we won by having been associated with such fine good working men and women of Nicholas County. We want to publicly thank our treasurer, Eddie Carter and his wife, Anna. Thanks for a job well done!

We also want to congratulate all the winners. If in the fall the Wallace Wilkinson campaign needs any help, I know the Grady Stumbo people will be glad to help you in whatever way we can.
