Kelley wins Lexington race

Local runner Gayle Kelley finished first in the ZUPPIE 3000 race held Saturday, May 16, in Lexington.

The race, according to Kelley, is a Masters Race, which is for people 40 years of age and over. All distance races now have Masters Divisions.

Kelley's time was 10 minutes and 15 seconds. Kelley said a good estimate was 300 participants in the race.

John's Running Shop in Lexington was the technical coordinator for the race, responsible for course measurement, timings, and divisions of the race.

The Democratic primary for Governor is quickly approaching. I am writing you to request Governor Steve Beshear. Steve has proven that he will work hard for all of us. He will be a full time Governor that you can trust. Please join me in voting for Steve Beshear for Governor on May 26th.

Sincerely,
G. D. Dick Anderson

We've run out of money to burn, Kentucky

Erase Waste. Bob Babbage Democrat for State Auditor

Government waste. Each year, government wastes thousands of out tax dollars. It's time we stop managing our government like we have money to burn.

It's time for a State Auditor Who Will Erase Waste.

We need someone who can really put our tax dollars to work, with results we can see. Bob Babbage, Democrat for State Auditor, has the educational and political experience to monitor our state's spending of your hard earned tax dollars. Only Bob Babbage:

- has graduate education in economics
- has chaired a major city government's budget
- operates a successful financial management business.

And only Bob Babbage has the political and financial experience to monitor spending and erase waste in Kentucky government.

If you're tired of seeing your hard earned tax dollars simply go up in smoke, use for Bob Babbage as Kentucky's next State Auditor on the Democratic Primary on May 26. He'll work to light a fire under our system and the people in it, to make sure the Kentucky dollars are really working to erase waste.
