## Senior trip;

Continued from Page 15  
while before returning to the state.

"Mr. Reid had 1 a.m. detail to check on the group, and he didn't find anyone awake," Kirby said.

At 9 a.m., Tuesday, the group headed for Disney World and Epcot Center, where it spent the entire day.

Once again, the seniors were so tired by the end of the day, "Everyone was asleep at the 1 a.m. detail," Kirby said.

"You have no idea how good they were."

"If we told them to be somewhere at a certain time,

they were all there early waiting on us."

On Wednesday, which Kirby termed as "rest day," the group spent the entire day at Wet 'N' Wild, a water amusement park.

After three fun-filled days under the sunny skies of Florida, it was time to head back to Kentucky around 6 p.m., Wednesday, arriving in Carlisle around 8:30 a.m., Thursday.

The trip, which was scheduled through a travel agency and cost each student \$200, included one dinner, two breakfasts, motel accommodations,

bus and driver, entrance fees to Wet 'N' Wild, Disney World, Epcot Center, and Kennedy Space Center.

According to Kirby, the seniors said these and many other products to raise the money for the trip.

Other members of the Nicholas County Schools faculty that went along as chaperones were Pat Mason, Jim Simons, Greg Letcher, Lee Crum, Libby Denton, Debbie Vise and Gerald Harmon.

Each sponsor was responsible for hand-checking of seniors.

"These students were so

good," Kirby boasted, "we even had time to enjoy ourselves with no sponsors."

"They knew that their behavior would affect future trips for future senior classes."
