Jackets lose early lead, fall to Lewis Co., 21-8

CARLEISLE - Just half good for Lewis Co. through Lewis Co. in the fourth quarter after the Roughriders suffered their worst loss in some time.

Visiting Lewis Co. came out to overcome an 8-7 Nicholas County lead of intermission.

"We scored on a 23 yard passing play in the final quarter to top a 21-8 decision.

After allowing Lewis County to score, 37 yarded down, we got a good field position, and the ball in for a score," said NCHS Head Coach Bob Barr.

"We scored on a 23 yard pass from Todd Day to Tip Fryman. On the extra point we failed the kick and tossed a pass to William Workman, for the eight point lead. We came back to another touchdown in the second quarter, with a 41 yard completion by Fryman. This gave us the ball on the 49 yard line."

Fryman was lost for most of the second half with an ankle injury, but finished the game with 39 yards on three carries. He also handed in the one long run.

Workman finished with 28 yards on eight carries. Workman also had 19 yards in receptions, while Collier Mathes had one reception for two yards.

"Matt Allan was on the field six times in punt and finished with 313 yards for an average of 31.3 yards per kick."

The Jackets were only able to score 143 yards total offense. On defense Mathes had 11 tackles and Hayes had 10.

Kevin Hughes added nice sacks for NCHS, while Scott Iron finished with eight tackles. "Lewis County missed the extra point, and we still had to chase with five minutes left in the game, but we weren't able to generate any offense. Lewis County scored its last touchdown in the last minute of the game, so we were close the entire game."

Bath County as a team as great speed, quickness, and strength. Coupled with that, Bath also has a good line, with strength.

The runners can overpower you, and they'll set up and push that ball to you over and over. The Jones boys really run to daylight.

This will be our last home game... and the last home game for our seniors."
