Eye Openers By Dr. Robert F. Pretzsch, Ophthalmist. HEALTH AND VISION. Q. How much does an optometrist need to know about a patient's health? A. You will get a more meaningful eye examination, and a more accurate diagnosis, if you tell your optometrist about any health problems you may have. Discover the eye-related family history, and mention the kinds of medication you are taking. This information can affect your eyes.

35 take time to give blood during drive

Monday, March 28, 20 people donated books to the First United Methodist Church in Carlisle. The drive was sponsored by the Nicholas County Donor Group.
