Secretarial Honor; Woosley at NCES 13 years

 Some consider their occupation to be serious, but rarely do many stay in one profession for one employer over a very long period of time.
 Dorothy Woosley, secretary for Nicholas County has been working in the school system for over 13 years.

"I started as a custodian in August 13 years ago and switched to secretarial duties shortly after then," Woosley said.

Mrs. Dorothy Woosley, secretary at NCES for over 13 years, enjoys the National Secretary Week celebrated in the week of April 25-28. Heather Mathes Photo.

Woosley's duties were more strenuous when she first started.
 "When I first started I handled the lunch line, all financial records of the lunchroom, the health room duties and all else I do as a secretary."

"Now, Mr. Bill Guthrie handles the job as coordinator of federal funds and there is someone employed to handle the lunch line as well as the health room," Woosley said. The morning groves to be the busiest time for Woosley. "I help sell paper, pencils, crayons, erasers, lunch and breakfast tickets as well as supervising all telephone use," she said.

Woosley is secretary to many people including the principal and vice principal, Mr. Gerald Hammons, and Mrs. Miriam Williams, and teachers needing any aid. However, according to Woosley she could not get all this done without a little help. "I fall and broke my kneecap in front of the Deposit

Bank and could not get up any steps so Brenda Day, Louise Curran, and Patsy Etton have really been a help in every way," she said.

Woosley's family include her husband, Harvey, Edward Duane Woosley, Rebecca Ann Travis and her children, Travis and Melissa Woosley who all reside in Carlisle. Martha Frances Stevens, her husband Dan and their two children, Brian and Matthew all reside in Oklahoma City in the Air Force. Nancy Pearl Lindsay resides in Florida at Fort Walton Beach.
