# Food drive a success by Boy Scout Troop

"A tremendous success", was the way Scoutmaster Bill Guthrie described "Food for Scouting", an effort on the part of Troop #50, sponsored by the First Baptist, to gather food for the needy in Carlisle and Nicholas County.

A nation-wide good turn by the Boy Scouts of America, Food for Scouting involved Scouts in a two-day effort. The first day, December 3, the Scouts delivered plastic bags to each household in town. The second day, December 10th, the troop picked up the bags, filled with canned goods, and delivered them to the Nicholas County Community Center for distribution to those in need. There they will be inventoried and distributed.

"On behalf of the troop and of those who will benefit from this effort, we would like thank all who took part. This time of the year when many spend so much on presents for the Christmas season, it is good that we can still think of those who are less fortunate. The people of Carlisle always come through for something like this," according to Guthrie.

Assistant Scoutmaster Charles Canupp and Scouts Charles Bowles, Jason Dailey, Kevin Feeback, Brent Gaunce, Michael Hill, Eric House, Robert Reed, and Jeremy Warner were involved in the effort.

"It's not too late," according to Guthrie, "those who for any reason were unable to take part this Saturday can contact me at 289-5934 and I will pick up their donation and take it to the Community Center. If you don't have the bag left at your house, just put your donated food in a grocery bag. There are those who need help year round and the food bank at the Community Center does wonders to help them. Let's don't just do this for Christmas, let's do it all year."
