Some Jackets' feelings on the 10th Region

By Chip Miller
of the Carlisle Mercury that
Nicholas County Bluejackets will
be heading up the road to Maysville
Wednesday for the first time in four
years.

The NCHS Jackets have been to the
10th Region tourney three times,
1983, 1984 and present, since 1967
(when they last won the district).
Everyone in town is buzzing with
the prospect of the local team being in
the tourney.

Yet, with all the hype printed and
said of the tourney, what do the play-
ers themselves think of going?
"It's a big thing to go," said NCHS
senior Tip Fryman.

"I think it's good for the school and
for Nicholas County," he said.

las County."

Fryman added he thought the
Bluejackets have been playing better
together "more as a unit."
"We've worked pretty hard in order
to get to go," said junior Danny Wells.

"I'm privileged to be one of the
members of the team to go," Wells
added.

"It's a dream," said Kevin (Togie)
Hughes.

"It's something we've worked hard
for all season long," he added.

"I'm with an elite group of people,"
said David Sparks, sophomore.

Sparks said it was a "thrill" to be
one of the teams in the 1988 10th
Region.

"We've been together since grade
school and have played together for so
long. It's great to have this opportu-
nity for this group of guys," said Neal
Metcalfe, senior.

"I think it's great for this school and
I think the community is really behind
us," said freshman Collier Mathias.

"I think it's (tournament) wide open
now. If we can come out and play like
we did at Harrison, make them play
our game, we have a good chance."
