CLASS OF 1988 FUTURE FARMERS OF AMERICA

## On The road with the Class of 1988

By Heather Mathes  
Of The Carlisle Mercury

The Nicholas County High School Seniors journeyed down south for a spectacular week-end filled with fun, sun and Mickey Mouse.

On April 13, 40 students and six chaperones

boarded a chartered bus at 1 p.m. to begin a sight-packed adventure.

The seniors stopped along the way at Central Florida's only theme park, Wet and Wild after breakfast for a day of swimming.

The travelers rested for the night at the Econo Lodge Motel and rose early

the next morning for a trip to Jetty Beach and Disney World.

The seniors were treated to such sights in Magic Kingdom as Magic Mountain and Mickey Mouse in Snow White's seven dwarfs, among the several Disney characters that inhabit the kingdom.

They then traveled to Epcot Center, scheduled to remain until 11 p.m.

In Epcot the seniors got a taste of different countries from Western and Eastern Europe to South America and Australia.

Saturday the seniors and chaperones checked out of the hotel and spent

until 7 p.m. catching the sights at Magic Kingdom.

The group arrived back in Carlisle at 11:30 a.m. Sunday morning, tired and weary but full of tales to tell of a journey shared with good friends.

**Congratulations**

Patricia (Tweedy) Adams is the 1988 Senior member in the 4-H Teen Club.
