

### NCHS SENIOR SPONSOR "QUOTES"

"My senior homeroom is like an extension of my family. I've laughed with them, rejoiced with them, came close to crying with them and became somewhat angry when they did. Hopefully their experiences will provide memories later in life and help prepare them for life. - Kay Wills

"The Class of 1988 will be interesting to look at in the future. Where the path of life will lead for them - who knows! I hope most of all they will look at ways to improve the world in which we live by being kind, thoughtful and caring in order to make this a better place for all people." - Pat Munsie

"I have been closely related to many of the young men in this class. I have coached them in several sports at a younger age. Many good memories will stay with me through the years. I wish for all of the Class of 1988 the very best." - Billy K. Anderson

"1988 Seniors it has been real! When I first saw you as Freshman, I wondered if ever you would make it. Now as 'pre-adults' I see promise and a bright future. You have the world at your fingertips - use your abilities, live life to its fullest and be the people we know you are. I will miss you." - Sue Kirby
