SPORTS

Jackets win

MT. STERLING – Nicholas County's junior high girls' teams, seventh and eighth grade - are champions of the Bluegrass Conference for 1988.

Both had won regular season division titles, the seventh graders with a perfect 12-0 mark, and the eighth graders with an 11-1 mark.

In tournament action the seventh grade hoopsters had a berth in the finals of the tournament as conference divisional champions.

Nicholas County was placed against Clark-Moore in the tournament finals.

Clark Moore was no easy task for the seventh grade Junior Lady Jackets.

Nicholas County trailed at the first three stops, 5-3, 15-9, 21-19, before a fourth quarter rally paced the Jackets to a 31-26 win.

Clark Moore had forged a four point lead in the final quarter, before the Jackets' game plan began to work and the Jackets pulled out the win.

The win allowed Nicholas County to finish unbeaten in regular season or tournament play.

Kim Denkins led Nicholas County with 11 points, 11 rebounds, five rebounds and five steals.

Elizabeth Schanding had 10 points and eight steals for Nicholas County.

Tawnya Livingood had four points for the Jackets, Jennifer Willoughby three, Julie Castle two, and Alicia Sibert one for the winners.

In the eighth grade tournament . . . Nicholas County downed a tough Paris squad, 45-35 to capture the championship. The Junior Greyhounds handed Nicholas County its only defeat of the season.

The Junior Jackets led 10-6 at the end of the first quarter, 22-19 at intermission, but Paris tied the score at 29-29 after three periods of play.

A 16-6 edge in the last six minutes of play by Nicholas County, allowed the Jackets to capture the championship.

Christie Hatton led Nicholas County with 14 points, seven rebounds, and five assists.

Denkins had a game high 16 rebounds to go with 13 points and two steals.

Nikki Smoot had seven points, Renee Linville pitched in eight points and had six rebounds, and Andrea Galbraith had three points to round out scoring.

"Our defense really made the difference," said Nicholas County coach Barbara Kenney.

"We controlled the board in the game and that made a big difference," she added.

"We are fortunate to have a team with depth.

"I am extremely proud of both teams, and especially the eighth grade team. This team has gone 30-2 over the past two years, with the loses only one point each. I don't know how you could ask for anything more.

"I can see a bright future - we have a super bunch of ballplayers."

In earlier tournament action, Nicholas County downed McNabb, 61-30. Leading at all stops, the Jackets never looked back after taking a 16-4 lead.

Denkins had 21 points to lead Nicholas County. Smoot had 11, Hatton and Linville eight, Tina Fryman had five, and four finished with two points each: Schanding, Galbraith, Livingood and Gabrielle Fryman.

In semi-final action Nicholas County battled a sluggish first quarter, exploded for 18 second quarter points and a 16-4 advantage in the third quarter to post a 55-23 win.

Smoot finished with 19, Linville and Galbraith had eight points, Hatton had six, Tina Fryman four, Schanding two and Jennifer Vice two.

"I'd like to thank the many people who turned out for the games and offered us support," Kenney said. "We had a great bunch this season - we filled our side of the gym in Mt. Sterling. They even called off some of the Little League games, Saturday, so those people could come to the game. We simply had a great crowd.

"It was a great season," the coach said.

Eye Openers

By Dr. Robert F. Pretzsch Optometrist

YOUR CHILD'S EYES

Now that your child's schooling is in full swing, do you notice anything unusual about his or her eyes? Is there: excessive blinking?

- Tilting of the head to one side?
- rubbing of one or both eyes?
- squinting?
- a tendency to sit too close to the TV?
- overtiredness whenever it's homework time?

If so, it is unwise to merely rely on the school eye examination to detect developing vision problems. That test is usually limited to reading a chart and may identify only the most basic visual disorders. Most often, it is the more subtle eye ailments or malfunctions that adversely affect a child's learning ability and school performance. In many cases, neither the child, teacher, nor parents associated poor school performance with poor visual performance. A complete, professional eye examination is important for your child now.

Nicholas County to host basketball Pan-A-Rama

CARLISLE - Nicholas County will battle Powell County at 5:30 p.m. in the Nicholas County High School Pan-A-Rama, set for November 19.

The Pan-A-Rama is an eight team event to be completed in one day.

Tip off for the first game will be 1 p.m., with each game following at one and a half hour intervals.

The complete field includes:

Estill County vs Lewis County at 1 p.m.; Pendleton County vs Tollesboro at 2:30 p.m., Bracken County vs Madison Southern at 4 p.m., and Nicholas County vs Pendleton County 5:30 p.m.

Admission to the event will be $2.00.

The event is being sponsored by Kentucky Textiles, along with Kentucky Sports Medicine.

Each participating player will receive a T-Shirt, denoting the event.

Fans from each area are encouraged to attend and support their respective teams.
