Kenney eyes season with young girls team

Nicholas County High School Girls Varsity Coach Barbara Kenney is putting a young team on the floor this year. She has only one senior, Erin Mathes, and two juniors, Chrisa Auxier and Cindy Hamilton. "The other players will look to them for leadership," Kenney said. "They will be the role models."

These players did not come through the junior high program, while some of her younger players have, which may help their all-around play as a team.

"I don't know what to expect," Kenney said. "I'm not sure of their capability. They are going to be able to compete, but I'm not sure on what level."

After Thursday night's

scrimmage Kenney said she still isn't sure what the best combination of players would be. She was sure of where improvement needed to be made. "We couldn't rebound," she said. "they killed us on the boards. The more we play, though, the better we'll get."

Nicholas County will open

the season, November 29 on the road at Bourbon County. The game is set to begin at 4:30 p.m., prior to the junior varsity and varsity boys games.

This season Nicholas County will field a girls junior varsity team, with 13 games scheduled.
