Junior High boys begin season

Bobby Storie will be coaching the Nicholas County 7th and 8th grade boys basketball teams again this season, as he has in the past. While the boys haven't been practicing long enough to make any predictions, Storie said both teams will concentrate on fundamental work. The eighth grade has improved from last year, Storie said. "I expect better play from them this year." As for the seventh graders, Storie said there is a lot to look for.

"They have to learn how to react to crowds," Storie said. "It's like that every year." Most of his players play three sports, baseball, football and then basketball.

Storie said he feels this might take away from their performance, in one sport or the other.

"Playing all three takes away from the other two," Storie said. "There's no way you can concentrate fully on three sports."

1988-89 Nicholas County Freshman Schedule

Date	Opponent	Time	Place
