GENERAL NEWS

Finding a starting point the toughest

crop would be just about per-fect," he said.

Smiley said that with all he adversities the burley crop has experienced, so far this year, he estimates that now, year, he estimates that now, this rate, it would be the first time in four years that belt market sales would exceed.

market sales would cases
500 million peunds.
Crop reporters with the
Kentucky Agricultural
Statistics Service, however,
were not as optimistic in their
estimates taken last Friday before the previous rain this past Saturday night and Sun-day morning.

Three percent -- an in-

Burley crop upgraded to a fair rating. The second second and the second second second and the second second
