The last two games of the day will be Nicholas County High School in conjunction with Kentucky Textiles, the primary sponsor, will hold the second annual basketball Pan-O-Rama at NCHS, November 25.

Lee Cruse, boys head basketball coach at Nicholas County, said last year's games offered spectators plenty of excitement, and this year's event promises no less.

This year's games format will take on a little different structure from last year with four girls teams invited to participate.

The games will begin at 11 a.m. November 25 with Estill County and Fleming County. This will be a girls game.

At 12:30 Lewis County boys take on St. Patrick.

At 2 p.m. Bracken County will battle Williamstown.

Nicholas to play Saturday

By Josh Shepherd
For The Carlisle Mercury SPORTS EXTRA

The Nicholas County Boy's Varsity basketball team got their first court appearance at 5:30 Saturday in the Bourbon County Pan-O-Rama against Walton-Verona High School.

Head Coach Lee Cruse said the scrimmage game will be a good challenge for the Bluejackets squad.

"Walton-Verona is always a strong team and are usually contenders for their regional title every year," Cruse said.

Because the game is a scrimmage, the pressure of a regular season game is not yet on the Bluejackets' shoulders.

"Anytime we can play a game with no pressure, it gives us an opportunity to experiment a bit and see where strengths and weaknesses of the basketball team lie," Woodford County.

Following the girls game at 4 p.m. is Williamstown boys v. Nicholas against Fleming County. Nicholas plays Walton-Verona next at 5:30, followed by Knox County versus Bourbon County at 7 p.m.

The final game is at 8:30 with Harrison County going against Woodford County.
