Danger under

Watering eyes can develop as we grow older. The phe-omenon may be only mildly annoying or a symptom of a nore serious problem. Watering eyes generally result rome excessive lear production, or poor tear formage in secessary to clean your eyes, however. Watering eyes, or excessive learing, may be caused by no eye infection, a foreign body in the eye, nasal or dental roblems, uncorrected vision that is causing continual eye train, a blocked tear gland or other general health prod-

truck needs. We have a big inventory to pick from, and a payment dan to suit most need Thanks

Brought to you as a community service by . . . Dr. Robert F. Pretzsch, Optometrist 21 S. Walnut, Cynthiana

lems.

Don't try to treat this problem yourself. With your input about your general health and a complete eye examination, your optometrist may be able to determine the cause of your watering eyes. If the cause is eye or health-related, the examination and treatment may be covered by Medi-
