much trouble that will cause them to any at all. I'd like to see for the most part, Cruse says, the opponents are evenly matched. One thing Cruse likes about the game this year is by winning one game they can get the season's trophies. In practice, just going through the motions of the game, even there, he says, the team has to be ready to play. "I'm looking for good things this year. I'll train them then I'm going to turn them loose and let them play," Cruse said.
