PREFERRED RATE AT 48

Our best experience over the years has been with more experienced drivers, and we think it is fair to offer special rates to those 48 years old and older. Few, if any, companies offer special rates at a lower age and none has a higher bracket because there is no upper age limit in Sooter's 48 Plus rating plan.

If you're 48 years old or older, and don't have an under-25 driver at home, call or see me. You may qualify for this special **senior insurance rate.**
