

DON'T GAMBLE AWAY YOUR COMMUNITY'S FUTURE

You're betting against the future of your community and the happiness of your family every time you spend your money out of town.

When we buy from those who buy from us... either our labor or our products, we're getting full value for the money we have worked so hard to earn.

The stakes are high when you gamble with your community's business district. Your best bet is shopping in your hometown stores.
