MSU holds summer graduation

Morehead State University's alumni roster increased with the conferring of more than 350 undergraduate and graduate degrees by University President C. Nelson Grote during summer sessions at Morehead State, July 14-15.

An overflow crowd of more than 1,400 heard the student speaker, Stephen Bussell, B.S., Rusty Switzer, V.M., Vicki, Charles, Brenda, and David Bussell, B.S. and July Hill, Tina, Sherry, Dan and Elmore Farris, Jr. and Mrs. Clarence Lawrence.

Accomplishments of previous graduates was also the theme of Dr. Grote's remarks as he addressed the graduates families and friends in Ballston Auditorium and those watching the ceremony on closed circuit in the adjacent Drill Room.

Noting that MSU has 30,958 living alumni, Dr. Grote told the graduates that there had been many before them, "most of whom had been very successful in their careers."

In spite of what all the new graduate had learned, Davis told them they had made "only a small dent in the amount of knowledge that mankind had amassed."

A journalism major with degrees in radio/television and art, Davis is the daughter of Dan and Pauline Young of Morehead and Bill Davis of Olive Hill.
