Weightlifting team holding fundraiser

The Nicholas County weightlifting team is having a fund raiser this week.
The team, which has about 25 members will hold the fund raiser for a week. The fundraising events center on a trivia game the players will present from door to door.
The weightlifting team hopes to make enough money to buy more equipment for the weightroom at Nicholas County High School. The team also hopes to buy uniforms with the money.

The weightlifting events the team participates in are the bench press and the squat. The bench press is an upper body exercise and the squat is a leg exercise.

The weightlifting team is coached by Chip Miller and Ron Baker. The coaches said they have four or five meets scheduled for the upcoming year and will probably participate in the King of the Bluegrass weightlifting tournament in Lexington.
