Nicholas wins

Continued from page 13
 "And third," Oakley said, "we had to take care of the ball."
 Oakley felt his team did all of these things well enough to win.
 "It's the things I've been talking about," the first year coach said.
 "We used patience, we took care of the ball and we boxed out. We got to go to the free throw line a lot and we walked up their and stuck them in."
 Oakley felt a key point in the game was **Shawn Byrd**. Both had with three-point shots minutes left in the game.
 Both teams were the same size once he fouled out.

Oakley said he was happy with the victory and said it was a great feeling to beat Clark County. The coach praised his players and singled James Simons out in particular.
 "James had a tough first three games," Oakley said, "but he concentrated out there tonight and knocked down his shots."
 Oakley also had praise for his bench.
 "The bench was into this game tonight. I didn't have a chance to use anyone tonight, but I think they help us to get better everyday and they helped us to win."
