Hello From Frankfort

I'm, Adrian Arnold. While I am an Active Candidate for Reelection to the Ky. House of Representatives to Serve Bath, Nicholas and Montgomery Counties, I am now participating in Kentucky's General Assembly, during the regular session.

I have not had the opportunity to meet and talk with many of you during the session. I do appreciate the support you have given me for the past 16 years, and hope to have the opportunity to continue serving you.

I believe in Kentucky and our system, and know that I can continue to serve YOU in an efficient manner. I hope to see as many of you as possible before the May 22 democratic primary to discuss Kentucky's future. I do appreciate your support.

What Jesus Taught

By George L. Rogers

Jesus taught that God holds you and me responsible to study his word. "But sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear." (I Pet. 3:15) In this passage Christians are enjoined to give an answer to those who ask them for a reason of the hope in which they rejoice. How can we do this unless we have a knowledge of His word? The truth is that we cannot. It is always a pleasure to me for people to ask me concerning my hope as based upon the promises of God, and my obedience to the commands of my Lord. We do not object to questions being asked. Send me your Bible questions, and I'll give you a Bible answer by mail.Send your mail to P. O. Box 104, Carlisle, KY 40311.

Every Christian should rejoice for an opportunity to give a scriptural reason for his or her beliefs and practices. Any man who does not like for people to ask him about what he preaches, practices, and believes has the wrong attitude.

The Bible should be studied for one to see himself as God sees him. (James 1:23-25) The Bible is the only true mirror of the soul. One cannot know himself as he needs to without studying the Bible. By looking into God's word we can see our mistakes and find out how to correct them.

Jude wrote, "Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should contend earnestly for the faith which was once delivered unto the saints." (Jude 3) A good reason for studying the Bible is summed up in this verse of Holy Scripture. All Christians should contend for the faith. One Christian responsibility that is greatly neglected is that of contending for the pure Gospel as it is revealed in the Word of God. Jude told the brethren that they were to contend earnestly for the faith.

The truth of the gospel is our most precious heritage, for it reveals to us our blessed Saviour and what he has done for us, and what He expects of us.

Meet the Jacksons— KU's 100,000th total electric residential customer!

In January, when Mike and Amy Jackson moved into their new all-electric Wise Choice Home in Georgetown, Ky., they became KU's 100,000th total electric residential customer.

"We told the builder we wanted electric heat," says Amy. "We know several friends who use energy efficient heat pumps, and are happy with them."

"We studied the kinds of heating systems on the market," adds Mike, "and went with the electric heat pump because it's reliable and inexpensive to operate."

WISE CHOICE HOME

TOTAL ELECTRIC LIVING

KU customers' electricity costs are so competitive with other fuels, nearly two-thirds of all housing starts last year in our service area were all-electric. And nearly one-third of all our customers now heat with electricity.

For comfort, cleanliness, safety and efficiency, nothing beats total electric living. Call or stop by our local office for more information.
