CARLISLE — The Nicholas County Bluejackets handled Menifee County easily for an 88-74 victory.

Nicholas was led by the hot hand of Daniel Brown, who tallied 32 points and three assists.

Brian Hilsander connected for 16 points and handed off five assists. He led the team in rebounds with eight.

Though Nicholas County's pressure defense hampered the Wildcats, Coach Lee Cruise said the team is giving up too much on defense.

"Our concern is that we're giving up too many points," Cruise said.

"We're rated 12th in the region, and it's because we're giving up too many points," Cruise said.

Nicholas and Menifee played close through the first period, with the Jackets holding a 16-14 advantage after eight minutes.

Nicholas began to pull away from the Cats in the second quarter.

A 3-pointer and an alley oop layup by Brown put the Jackets 23-18 with 5:12 minutes remaining in the half.

Hilsander stretched the first-half lead to 27-21 when he cannoned two free throws at the 5:05 mark.

Two consecutive layups by Hilsander gave NCHS its largest lead of the half at 35-21.

Nicholas closed the half with a 38-25 advantage.
