

ON THE RECORD

Court News Correction

In last week's District Court News the name of Ramona George was inadvertently reported in a case involving theft by deception, by another person.

Although the birth date indicated another person, The Mercury has been asked to report this is not the Ramona George of Nicholas County, and we are glad to.

The Mercury is sorry for the error and any inconvenience and embarrassment it may have caused.

Every effort is made and will continue to be made to prevent this from happening.
